

Riverview, LLP is thrilled to announce a \$1 million donation to Minnesota 4-H in support of their building project at the Minnesota State Fair.

For many at Riverview, 4-H isn't just something we support — it's something we grew up with. Many of our team members were 4-H kids themselves, shaped by the experiences, mentorship, and community that make the program so impactful.

At Riverview, we believe in providing a culture of opportunity. When people are given the right tools, mentorship, and support, they go on to do remarkable things. Agriculture is the backbone of this state, and the young people who will carry it forward deserve spaces that reflect the importance of their work. This building project is an investment in exactly that — a physical testament to what we believe Minnesota's next generation is worth. We are proud to support 4-H and the Minnesota State Fair, and honored to help invest in the future of agriculture through this donation.
