Riverview LLP Celebrates June Dairy Month with Free Ice Cream Day

Riverview LLP celebrated June Dairy Month by sponsoring a free ice cream day on Friday, June 12th at twenty-one participating locations in communities where Riverview has dairy farms. Over 6,000 ice cream cones were served across all participating locations, making it a sweet success for dairy enthusiasts young and old.

June Dairy Month began in 1939 to promote the consumption of dairy products nationwide. It is a special month for dairy producers and a way to celebrate the industry and communities that support dairy farming across the nation. The United States is the number one consumer of ice cream in the world.

Riverview would like to thank all the participating businesses and everyone who came out for a scoop to celebrate June Dairy Month.
