

Riverview Renews Sponsorship of Milk Break Program for Morris Area Elementary School

Riverview will once again sponsor the Milk Break program for students at Morris Area Elementary School throughout the 2026–2027 school year. Through this sponsorship, every student at the school will receive a daily serving of milk.

Milk Break provides students with a nutritious mid-day boost to support growing minds and bodies throughout the school day.

The sponsorship underscores Riverview's commitment to investing in the health and well-being of the communities it serves. Morris Area students and staff are valued members of the Riverview community, and the company remains dedicated to ensuring every child has access to milk throughout the school year.

This renewed partnership reflects Riverview's broader commitment to supporting local schools and promoting childhood nutrition. To mark the start of the school year, Morris Area fourth graders visited Riverview's farm to see the cows and thank the team for its continued support.

Riverview looks forward to a successful school year ahead, marked by learning, growth, and the continued benefits of the Milk Break program.

About Riverview

Rooted in providing opportunities for the next generation, Riverview's story began as a crop and beef farm in 1939 and began using the name "Riverview" in the 1970s. Riverview opened its first dairy farm in 1995.

Today, Riverview LLP has grown into a diversified agribusiness that is family and employee owned. Riverview strives to provide a respectful, ethical work environment, ensure animal health and comfort, enhance the productivity of the land, and add value to its communities.
